Provider Access Policy

2020 - 2023

Ralph Sadleir School is committed to providing a planned programme of high-quality Careers Education, information and guidance to all KS3 pupils and recognises the role that this plays in:

- Preparing and supporting young people to sustain employability and achieve personal and economic wellbeing throughout their lives;
- Empowering young people to plan and manage their own futures;
- Increasing motivation and raising aspirations to inspire young people to achieve their full potential;
- Develop core competencies such as: communication, resilience, team working, problem solving and personal management;
- Promoting equality, diversity, social mobility and challenging stereotypes.

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil Entitlement

All pupils in Year 8 are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;

Proud to Achieve

Ralph Sadleir School ensures that by the end of Year 8, pupils have opportunities to consider different careers available to them, including:

- Information and guidance on pathways;
- Consideration of transferable skills;
- Evaluation of their skills and achievements to date with a view to how this may link to future choices;
- Guidance with job seeking skills, such as writing CVs and interview techniques;
- Experiencing the world of work by accompanying a relative to their place of employment.

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and pupils, as appropriate to the activity. The school will also make available, where possible, specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Learning Resource Centre, which is managed by the school librarian. The Learning Resource Centre is available to all pupils at lunch and break times.
