PUPIL MOBILE PHONES PROCEDURES

Pupils are permitted to bring mobile phones to school, but must follow the steps below at all times:

- Mobile phones must not to be used anywhere on the school premises.
- Mobile phones must be switched off prior to entry onto school premises and may not be switched on again until pupils have left the school premises.
- All mobile phones must be handed to form tutors during morning registration.
- All pupils are to collect their mobile phones from their form tutor at the end of the day by their relevant exit gates positions.

Use of wearable technology (e.g. smart watches) is not permitted in school.

Failure to adhere to the mobile phone procedures will result in devices being confiscated and will require collection by parents/carers from the school office. Non-adherence to the above procedures could also result in the withdrawal of mobile phone privilege.

Deliberate breaches of the mobile phone expectations are likely to lead to a fixed-term exclusion.

The school accepts no responsibility for the loss, theft or damage to mobile phones or any other device brought into school.
